## CV | DOMINIQUE EDWARDS

Dominique Edwards (b.1980, Kimberley) studied at the Michaelis School of Fine Art, where she received her Masters in 2012. She also holds a Post Graduate Certificate in Education from the University of Cape Town (2003) and a BA in Fine Art from the University of Stellenbosch (2002). Her previous solo show at Commune.1, 'The Distance Between Us' explored the notion of the sublime or the uncanny as contemplation on the ephemeral nature of human life and the moment of our death. She is interested in the repetitive activity of human labour, and notions of time and place, which she explores by means of drawing, installation, video, photography and an assortment other unconventional materials. Edwards crafts objects that illuminate their inherent transitory quality.
