## CV | OLIVIÉ KECK

Olivié Keck (b.1989, Cape Town) received a BA(FA) in Printmaking from Michaelis School of Fine Art, University of Cape Town in 2011 and has since shown in numerous group exhibitions in Cape Town. Working with a variety of techniques and forms such as delicate ink paper tapestries, large-scale quilts, printmaking and embroidery, and with a narrative and process driven approach, Keck ventures to decipher the transient natural world and her place within it. The fragile materiality of her work closely mirrors her working concepts and the emotional play of creation and story-telling.

Keck currently lives and works as an artist in Cape Town.
